## Intensive Swimming

This program will definitely run this year. It will commence on Monday, 14 November and run until Friday, 25 November. A separate note will be sent home closer to the start date with reminders about what each student will need to take.

## Paul Jennings Video Conference

On Monday, 7 November all of the students from Years 4-6 will be taking part in a video conference with noted children's author, Paul Jennings. Paul will be chatting about his new book, *The Unforgettable What's His Name*, as well as his other books. He will discuss how he writes and what he loves to read. This will be a truly unique opportunity for our students to interact with a published and successful writer with whom they are very familiar. There are many Paul Jennings books in the school library.

## Remembrance Service

The school captains, Will Bandy and Ruby Cliffe will be accompanying me to the annual Remembrance Day service next Friday, 11 November at the Gloucester Memorial Park. We will be joining representatives from Gloucester Public School and Stratford Public School to pay our respects on the day.

Crunch&Sip® is a time, each day, when students can "refuel" on vegetables and fruit and "rehydrate" with water. It helps children to increase their intake of vegetables and fruit and is a great opportunity to introduce them to new vegetables and fruits.

The great news is that Crunch&Sip® does not have to be limited to the week days! Try to keep the whole family healthy by integrating this habit into your family routine on weekends and during the school holidays.
