Digi - Ed

On Thursday 6th December Yr 5/6 had a great day making animated claymation movies. A big thank you to our generous P & C who helped pay for this activity.

Last Day of Term

Wednesday 19 is the last day of school for 2018. As you know, the P & C will be providing lunch for those students who have ordered and we will be finishing the day with our traditional water fight. Lunch will be at approximately 12.30pm and we will all be getting wet shortly after. This will be an out of uniform day and the students will be able to change for the water fight after lunch. They will still be expected to abide by our sun safe policy so will need a rash shirt or a T-shirt over their swimmers. Water pistols are appropriate but water balloons are not allowed. Everyone is welcome to join us for the afternoon.

Merry Christmas

I would like to take this opportunity to thank everyone in the Barrington School community for their ongoing support this year. 2018 was not without its challenges and BPS wouldn't be the school it is without the kind and helpful people involved. Thanks to the small, dedicated band of P & C members who work tirelessly to provide lots of extra for all of the students and a special mention to all of the staff, who constantly work above and beyond to ensure your children are able to take advantage to every extra opportunity available to them. I wish everyone a Merry Christmas, happy new year and a lovely break with the people you love.
