Father's Day Breakfast

On Friday, BPS hosted a Father's Day breakie for something new to show the fathers how much they are appreciated. It turned out to be a great morning with a fantastic turnout. The bbq was fired up and lots of bacon and egg rolls made their way into hungry mouths washed down with tea and coffee. Afterwards, the kids took their dads around the grounds for some activities of tug-of-war followed by some hoop shooting on the basketball court. Afterwards, the students showed their fathers around their classrooms. We hope that the Fathers had a wonderful day on Friday and that they were deservedly spoilt on Sunday. Happy Father's Day. A big thank you to all of the families who donated eggs and to Steven from Hebby's bakery for the delicious cakes and bread rolls.

Canberra Excursion - Change of Departure Time

WE WILL NOW BE LEAVING SCHOOL AT 5AM. PLEASE BE AT SCHOOL TO BOARD THE BUS BY 4.50AM.

Tournament of Minds

On Saturday, 12 brave individuals put all of their hard work over the past term to the test as they competed in the Tournament of Minds challenge. With two teams entered, a first for Barrington Public to enter any teams in this competition, they turned up to the Newcastle school in the pouring rain (wish it would rain up our way). The rain and the building made it a little hard to hear their performance but they toughed it out and gave it their best. Team 1, consisting of Brad Rayner, Jarrah Wilson, Hugo Laurie, Selina Denyer, Amarlie Stephenson (who couldn't make it to the event) Harry Kauter and Summer Edwards. And team two, consisting of Elana Pope, Paige Connell, Irelyn Want, Emma Woods, Nathaniel Graham and Jackson Bandy. They should be very proud of their efforts, it has been a new and challenging experience for them. Well done guys.

Parent/Teacher Meetings

Outside of our usual Parent/Teacher interview times staff are more than happy to communicate with parents regarding their child's progress. If you have any concerns or simply want to marvel at how well they are achieving please feel free to contact your classroom teacher and organise a time to meet.

Local community planning is about the Gloucester community coming together to develop a plan for their future.

While the plan is owned by your community, it helps us understand and support your vision for Gloucester. But not only that, a community plan helps prioritise your local projects and can support funding applications to make them a reality.

We'll work alongside you in the development of your plan, but to start the process we need your input.

Come along to a family-friendly think tank session at Gloucester Council Chambers:

Session 1: Tuesday 24 September, 10am - 12pm
