## Coming Events Term 1 2020

### Thursday 20 February

Manning Zone PSSA Swimming Carnival to be held at the Taree Aquatic Centre.

### Friday 21 February

Whole School Assembly, 2.15pm in the 5/6 room. All welcome.

### Friday 28 February

Book Pack payment of \$40.00 per child, due.

## Canteen Helpers

We are in desperate need of helpers for our school canteen, which operates on a Monday. If you could spare a day (approx. 9.15am – 2.00pm) once a term, it would be greatly appreciated and your children would love to see you there.

Please let Sam Hardy or the school office know if you could help.

Also please find attached a sheet asking for helpers to sell icy poles on a Friday, at lunch time.

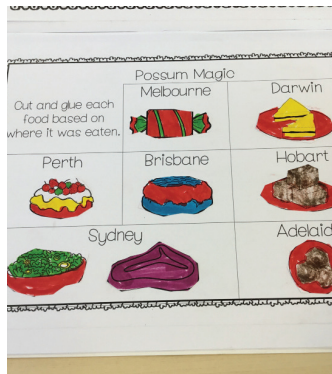

## Reminder Book Pack Payment

Thanks to those parents who have paid their child's \$40.00 book pack fee. A reminder that the fee of \$40.00 is due on the 28 February 2020. The book pack supplies your child with their books, textbooks, glue, pencils, rulers, coloured pencils etc for the entire year.

## What's Been Happening in Our Classes?

### Year K/1

In K/1 over the last two weeks we began our literacy unit on Australian animals. We've read two of Mem Fox's favourite stories and made art works to match the main characters. The students have completed a variety of literacy activities and have produced some beautiful, clever work.

### Year 2

We have had a busy time in Year 2! We have been investigating shapes, and learning lots of new names for these different shapes. Our new spelling program has started, where we learn 12 words each week, followed by a test on Friday with Mrs Mac. The focus for our Term-long literature unit is Australian Animals, and we are looking forward to exploring new books and discovering new facts over the coming weeks. Thank you to those families who are making sure Home Reading logs are being completed, and we have had some students share their positive homework experiences in class already. What a great start to the year!

### Year 3/4

This term we have started learning the recorder as part of our music lessons. So far we have learnt notes A and G and have practiced the song, 'Ants in your pants' using these notes.

### Years 5/6

In our classroom these past two weeks some 5/6 students have achieved Zone level in swimming. Congratulations, Louis, Bradley, Thomas, Charlie, Irelyn, William and Saige. For some of the Infants students in Year 2 {Saige and William} it is their first time going to Zone. Good luck to everyone!

In English we have been learning how to improve our Narrative writing and have started up again with the online competition in which we need to submit a story that is exactly 100 words to a specific topic. In science we have started learning about different forces and things that might affect them.

### Choir

Last week we had our first choir meeting for the year. We would like to welcome new students from year 3 who have decided to volunteer their time to be part of our amazing group. Choir will be held in the 3/4 room each Tuesday during lunch time. We have some amazing things coming up so watch this space!

### Birthdays

Lily Blanch 23.2.20 (7)

### Zone Swimming Carnival

Congratulations and good luck to all of our students who will be participating in the Zone swimming carnival next Thursday (20/2/20).

### Gardening

With so much wonderful rain over the past few weeks our gardens have exploded. If you have any free time to volunteer to help get our gardens looking wonderful again it would be greatly appreciated.

## 2020 P&C FUNDRAISING LEVY

### What is a Fundraising Levy?

Barrington Public School P&C fundraising levy is a voluntary payment from families each year to supplement our major fundraisers. Our school relies heavily on these contributions to provide additional resources such as air conditioners, equipment and improvements and also student injury insurance which covers all the children both at school or at out of school events including medical and dental. Without these funds these things are not possible. This also alleviates the P&C from a lot of minor fundraisers throughout the year, as they are time consuming and most parents are too busy working or caring for their families to help organize these activities.

### How Much?

The requested contribution is \$30 per family / per term. The fee remains the same at \$30 per family/ per term although we are offering a \$20 discount if paid in full in the first term, so instead of \$120 annual fee it will be only \$100 per family/ per year if paid in term 1.

### How to Pay

Please place your contribution with the slip below and return it to the school office as soon as you are able before the end of term 1. You may choose to pay your contribution as \$30.00 per term (per family), \$60.00 per two terms (per family) or \$100.00 per year (per family).

**Dear Parents and Guardians**

**We are currently seeking some help on Fridays to serve the children icy poles. This only takes around 40 minutes of your time and with the hot weather the kids really love this special treat. Unfortunately we only have one mother doing this and if we cannot get more volunteers this will no longer be offered on Fridays, there is no prep just simply serving a small selection of ice blocks from 1pm to 1.40pm if you can help please fill in this form and return it to the school by the end of this week.**

**Thankyou**
