Principal's Report

Welcome back to Term 3. I hope you all had an opportunity to rest over the break and are ready for another busy term. The NSW Department of Education has provided guidelines for student returning this term. Please see the following information. All students should be learning at school unless they are unwell or have a medical certificate to support their absence. Schools continue to be safe and operations are within the Australia Health Protection Principal Committee (AHPPC) and NSW Health advice.

All schools will be vigilant when implementing infection control, physical distancing and personal hygiene protocols to protect the health and safety of students and staff. Schools will promote the need to follow good hygiene practices like:

- regularly washing hands
- avoiding sharing drinks or food.
- coughing or sneezing into your elbow or a tissue which should be discarded immediately.
- filling water bottles from the water fill station rather than using the bubbler directly.
- Activities permitted at school, will be conducted in a way that is safe and appropriate manner. Those that remain on hold will be reviewed during the term and will recommence when appropriate based on health and other relevant advice.

Learning News

Last term as part of our Sporting Schools activities Mrs Lednor taught the children bowls. All participating students had a great time learning the finer points of how to correctly bowl and score. We have also purchased some new bocce sets for the students to continue practicing their skills this term.

Measuring capacity in the sandpit

We have been making good use of our lovely new sandpit with our maths lesson in K/1. We estimated how many little cups it would take to fill various containers and we then checked our estimations.

Silver Commendation Certificates

Allira Wilson, Kelly Laurie, Alerah Hardy, Jordan Cunningham, William Coombe, Sienna Forbes, Isla Denyer, Matilda Solomon, Charlie Coombe, Kane Germon, Hunter McKinley, Bella Douglas, Maddison Wall, Joslyn Kilby, Jali Wilson, Oliver Laurie, Alex Terras, Emily Hebblewhite, Sarah Jenkins, Harry Kauter, Thomas Coombe, Nathaniel Graham and Logan Webeck.

School Information and Reminders

Book Club News

Book Club order forms will be handed out shortly to each student. Orders are to be returned to the school office by Wednesday 5 August. The easiest and most convenient way to pay for your child's book club is by credit card using the LOOP method. When you order and pay by LOOP do not fill in the order form or return anything to school. Your order will be electronically linked to the rest of our school's order.

Visit scholastic.com.au/LOOP or download the app. Thank you.

Physical distancing

Physical distancing of children in schools is not required under the AHPPC guidelines.

All adults must maintain physical distance from each other (1.5m) including teachers and support staff, and parents.

Parents should ensure school pick up and drop off arrangements enable them to physically distance from one another and from staff.

School activities/school site usage

Some school-based activities can recommence, as long as the following measures are observed:

- all visitors and external to school providers must adhere to relevant hygiene, distancing and safety protocols.
- principals may continue to restrict, limit or prohibit activities if they are seen as contrary to the current health advice.
- external providers and visitors are required to demonstrate compliance with health and safety requirements including adhering to strict guidelines and completing relevant forms.
- non-essential adults are still not permitted on school grounds or at school events – **this includes parents/carers** unless specifically approved by the principal.

P&C Pie Drive

Pie order forms were handed out last term, just a reminder that the orders must be in by Thursday 6 August to the school office and the pick up date will be Thursday 13 August from school, after 2.00pm.
